How to Use This Study Guide

This study guide is designed to work in conjunction with the course videos, the practice quizzes located in the course learning resource, and, if needed, the course textbook images and readings specified in each module. Once you have completed all of the recommended activities, use this study guide as a review tool before taking your assessments.

To complete the study questions, provide a sufficient response to each question in your own words and in terms that will help you understand, remember, and retain the information. Use the recorded videos as resources to help you answer these study questions. If you find a question that you cannot answer, please reach out to your course mentor for additional clarification and support.
