

A mechanic in a grey uniform is leaning over the open hood of a car, working on the engine. The engine bay is filled with various components, including a large black plastic air filter housing. A white text box with a drop shadow is overlaid on the left side of the image, containing the text 'SYMPTOMS OF BAD IGNITION CONTROL MODULE'. A white arrow points from the text box towards the ignition control module, which is a grey plastic component with two yellow electrical terminals, located near the air filter housing.
