(Hornbill) (Chapter – 1) (The Portrait of a Lady) (Important Questions)
(Class – XI)

Question 1:

In this story titled "Portrait of Lady" which lady is referred to?

Answer 1:

In this story writer Khushwant Singh has mentioned the portrait of his grandmother with whom he spent almost his entire childhood. According to him, she was a great lady for whom he had a lot of respect. She was a Sikh who came to India at the time of partition. His grandmother named him "Khushal Singh" which means "Prosperous Lion". He himself had named Khushwant.

Question 2:

Why does the author think that his grandmother was once young and must have had a husband?

Answer 2:

The author's grandmother was a very old woman whom he had always seen old. He felt that there was no difference in her grandmother for the last 20 years. He felt as if she was born old. She was of short stature and leaned forward. Dressed in white, she used to roam around the house and spend most of the time in her prayers. The person whom we have never seen young, it becomes difficult to believe that he too was once young.

Question 3:

Why did the author think the same way about his grandfather as he did about his grandmother?

Answer 3:

The author only saw his grandfather in the picture hanging on the wall. In his typical Sikh attire, he looked 100 to him. When the author looked at his picture, he did not even think that he too must have ever been young and that he too would have a wife and some children. Seeing his old age, he felt as if his grandfather would have many grandsons and granddaughters.

Question 4:

Which thought about the grandmother was often revolting for author?

Answer 4:

People often told the author that his grandmother was once very beautiful. This thought was a bit difficult for him to digest. He thought she was always old. He used to think that the lady who walks so slow, has grey hair and has lot of wrinkles on face can never be young. All these thoughts were revolting for him.

Question 5:

Why does the author find his grandmother not pretty but beautiful?

Answer 5:

Being pretty means your outward appearance appeals to people. Beautiful, however comes from within and is considered a stronger term as compared to pretty. She was a beautiful fair-skinned woman whom the author compares to the white Himalayas.

Question 6:

What was the problem with grandmother walking upright?

Answer 6:

The grandmother was short and fat. She was also slightly bent. She put one hand on her waist to support the stoop. She used to limp a bit while walking.
