

GATTACA Assignment Are your Genes your Destiny?

GATTACA is a film that shows a future society that is based on the rigorous assessment of everyone's potential. Most individuals in this society are genetically manipulated to have just those few highest achievement genes that maximize potential (and are also genetically manipulated to have no disease-causing genes). Individuals are not a 100% genetically fit society. Some individuals are genetically manipulated to have no disease-causing genes, but are genetically manipulated to have some disease-causing genes.

How does this society work? It is based on the use of genetic testing (and genetic manipulation) to determine the right mixture of achievement characteristics from individuals that should have a higher genetic level. Individuals in this society will be genetically fit, and will have a higher genetic level than those who are not. How does this society work? It is based on the use of genetic testing (and genetic manipulation) to determine the right mixture of achievement characteristics from individuals that should have a higher genetic level.
