*Black Metaphors* Cord J. Whitaker,2019-10-25 In the late Middle Ages Christian conversion could wash a black person's skin white or at least that is what happens when a black sultan converts to Christianity in the English romance *King of Tars* In *Black Metaphors* Cord J Whitaker examines the rhetorical and theological moves through which blackness and whiteness became metaphors for sin and purity in the English and European Middle Ages metaphors that guided the development of notions of race in the centuries that followed From a modern perspective moments like the sultan's transformation present blackness and whiteness as opposites in which each condition is forever marked as a negative or positive attribute medieval readers were instead encouraged to remember that things that are ostensibly and strikingly different are not so separate after all but mutually construct one another Indeed Whitaker observes for medieval scholars and writers blackness and whiteness and the sin and salvation they represent were held in tension forming a unified whole Whitaker asks not so much whether race mattered to the Middle Ages as how the Middle Ages matters to the study of race in our fraught times Looking to the treatment of color and difference in works of rhetoric such as John of Garland's *Synonyma* as well as in a range of vernacular theological and imaginative texts including Robert Manning's *Handlyng Synne* and such lesser known romances as *The Turke* and *Sir Gawain* he illuminates the process by which one interpretation among many became established as the truth and demonstrates how modern movements from Black Lives Matter to the alt right are animated by the medieval origins of the black white divide [Rhyming English Couplets](#) Mulki Radhakrishna Shetty,2009 **Hope for Your Soul** Dr. Samuel White III,2018-08-22 Hope For Your Soul Do you need a word of encouragement Hope For Your Soul will lift you from the valley of despair to mountain tops of hope Each meditation will strengthen your faith to pursue your dreams and move your mountains This is a must read for every soul that hungers for hope and inspiration In a time where suicide is at an all time high despair and depression abound both within and outside of the Church and the political landscape is dangerously repressive and regressive the Prophet in the person of the Dr Samuel White III stands in the ruins and says Yes there is hope Dr Genetta Y Hatcher Vice President of Administration and Student Services Director of Recruitment Ecumenical Theological Seminary One of the most difficult struggles can be the struggle to find hope Drawing from his many years of experience as pastor teacher and writer Dr Samuel White III helps us find our way to that elusive goal If you're looking for a reminder of what truly matters in our lives and a road map for how to get back there you'll find it in the pages of *Hope For Your Soul* Dr Brandon R Grafius Assistant Professor of Biblical Studies Ecumenical Theological Seminary Dr Samuel White III encourages
