Life Together

A large, leafy tree stands in a vibrant green field under a bright sky. The tree is the central focus, with its branches spreading out. The field is lush and green, and the sky is a clear, bright blue. The overall scene is peaceful and natural.

Organic Disciples Study Guide Kevin G. Harney, Sherry Harney, 2021-12-28 Connect your journey of discipleship with a passion for the world to meet Jesus Christ For many followers of Jesus discipleship means doing certain things to deepen our connection with Jesus Christ But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message Taking a holistic approach that unites evangelism and discipleship Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world Based on the teachings and reflection of their book *Organic Disciples* Kevin and Sherry will lead you and your group through the seven markers of spiritual maturity and how these biblical practices can connect us with God's work of reaching people with his love Bible Engagement Passionate Prayer Wholehearted Worship Humble Service Joyful Generosity Consistent Community Organic Outreach True spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus You'll learn how to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity and how to design a personal pathway of growth to be more like Jesus in character and mission Used together with the *Organic Disciples* book and the free video study and online assessment available at OrganicOutreach.com churches and individuals can better identify where they are in their growth journey and what the next steps are in becoming more like Jesus

Working Blessedly Forever, Volume 3 R. Paul Stevens, 2025-11-11 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time, energy, and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation not just with the head, thought, but also with heart, prayer, and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God's blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where, guess what, Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book
