The Doors Unhinged John Densmore, 2023-11-07 Legendary drummer and founding member of The Doors John Densmore unpacks the intersection of art and commerce in this deeply principled middle finger to greed The Doors drummer Densmore rockets through his tumultuous six year lawsuit against former bandmates Ray Manzarek and Robby Krieger in this no holds barred account Throughout the author s initial question at what point does money cheapen art s original message remains salient even if he hammers it home a bit repetitively Devoted fans will be eager to get their hands on this deep dive Publishers Weekly Densmore s concerns about his band s legacy and its meaning in today s society are thought provoking and worth pondering Also impressive is his continued respect for his former bandmates creativity and musicianship despite the in fighting philosophical differences and court battles Not a typical rock memoir but something more interesting to those who want to look past the hit songs and off stage antics Kirkus Reviews Part courtroom drama part morality tale The Doors Unhinged reminds us what happens when greed and deception get in the way of teamwork and the creative process Booklist

IN THE DOORS UNHINGED NEW YORK TIMES BEST SELLING AUTHOR and legendary Doors drummer John Densmore offers a powerful exploration of the greed gene that part of the human psyche that propels us toward the accumulation of more and more wealth even at the expense of our principles friendships and the well being of society This is the gripping account of the legal battle to control The Doors s artistic destiny In it Densmore looks at his conflict with his bandmates over the right to use The Doors s name revealing the ways in which this struggle mirrors and reflects a much larger societal issue

that no amount of money seems to be enough for even the wealthiest people The Doors continue to attract new generations of fans with more than one hundred million albums sold worldwide and counting and nearly twenty million followers to the band's social media accounts As such Densmore occupies a rarefied space in popular culture He's beloved by artists across the decades for his fierce uncompromising dedication to art His writing consistently earns accolades and has appeared in a range of publications such as the Los Angeles Times and Rolling Stone As his friend and American novelist Tom Robbins recently said to him If you keep writing like this I'll have to get a drum set This is an incredibly timely and important volume in a contemporary world that is increasingly consumed by an insatiable profit motive John Densmore has given us a blueprint for an approach to life and culture that is not driven by greed
