Lights Out The Party S Over:

The Party's Over Richard Heinberg, 2005-08-01 The world is about to run out of cheap oil and change dramatically Within the next few years global production will peak Thereafter even if industrial societies begin to switch to alternative energy sources they will have less net energy each year to do all the work essential to the survival of complex societies We are entering a new era as different from the industrial era as the latter was from medieval times In *The Party s Over* Richard Heinberg places this momentous transition in historical context showing how industrialism arose from the harnessing of fossil fuels how competition to control access to oil shaped the geopolitics of the 20th century and how contention for dwindling energy resources in the 21st century will lead to resource wars in the Middle East Central Asia and South America He describes the likely impacts of oil depletion and all of the energy alternatives Predicting chaos unless the U S the world s foremost oil consumer is willing to join with other countries to implement a global program of resource conservation and sharing he also recommends a managed collapse that might make way for a slower paced low energy sustainable society in the future More readable than other accounts of this issue with fuller discussion of the context social implications and recommendations for personal community national and global action Heinberg s updated book is a riveting wake up call for humankind as the oil era winds down and a critical tool for understanding and influencing current U S foreign policy Listen to an interview with Richard Heinberg from WRPI

Marry Me, Mendoza! Judy Duarte, 2013-03-19 Second chance sweethearts Nicole Castleton was a shrewd businesswoman with a Texas sized stubborn streak She needed a husband in a hurry and no one but her ex Miguel Mendoza would do Yet she had her doubts sweet sexy Miguel still shook her to the core of her expensive Castleton boots And when it came right down to it she still desired the man beyond words Was it a ghost standing on his doorstep Or could this really be his Nicole The girl who broke Miguel s heart ten years ago was back with a crazy proposal for a strictly business marriage A desire for payback and one last round of romance with the one who d gotten away tempted Miguel beyond any dollar amount But this time he wasn t so sure he d be able to walk away from the woman of his dreams

The Party's Over Juan Goytisolo, 1967 In four sharp clear episodes linked by theme and intent Juan Goytisolo portrays modern Spain after thirty wearying years of dictatorship On the surface these are love stories Each deals with upper middle class marriages gone stale their days filled with endless rounds of aimless parties excessive drinking and infidelity the men are exhausted the women

passive their lives together flat and unsatisfying On a deeper level Goytisolo is subtly presenting the social and political face of Spain of which these people constitute an elite It is a picture of a nation half dead at the top Yet the hopelessness and sterility of these wealthy indolent people are set against a peasantry virtually as corrupt and impotent we see that the society is half dead at the bottom as well In the tersest of prose Goytisolo describes a Spain at once feverish and somnambulist its people the victims of the society which they themselves create *Hip Hop in America: A Regional Guide* Mickey Hess,2009-11-25 An insightful new resource that looks at the rise of American hip hop as a series of distinct regional events with essays covering the growth of hip hop culture in specific cities across the nation Thoroughly researched thoroughly in tune with the culture Hip Hop in America A Regional Guide profiles two dozen specific hip hop scenes across the United States showing how each place shaped a singular identity Through its unique geographic perspective it captures the astonishing diversity of a genre that has captivated the nation and the world In two volumes organized by broad regions East Coast West Coast and Midwest and the Dirty South Hip Hop in America spans the complete history of rap from its 1970s origins to the rap battles between Queens and the Bronx in the 1980s from the well publicized East Coast vs West Coast conflicts in the 1990s to the rise of the Midwest and South over the past ten years Each essay showcases the history of the local scene including the MCs DJs b boys and b girls label owners hip hop clubs and radio shows that have created distinct styles of hip hop culture *Party Over Section* Joel H.
