

MANUAL TRANSMISSION

A person is shown from the side, working on the underside of a silver car that is elevated on a lift. The person is wearing a dark long-sleeved shirt and dark pants. They are using a tool, possibly a wrench, on a component of the car's undercarriage. The car is supported by two red jack stands. The background shows a garage with a concrete floor and a bright light source in the distance. The overall scene is dimly lit, with the primary light coming from the background and the person's work area.
