IB Math SL Stella Carey, 2014-08-01 The International Baccalaureate (IB) was founded in Geneva, Switzerland, in 1968 as a non-profit educational foundation that endeavored to develop inquiring, knowledgeable, and caring

young people who would go on to create a better and more peaceful world through intercultural understanding and respect. What began as a single program for internationally mobile students preparing for college has grown into a series of programs for students up to age 19. Barron's is pleased to offer a brand new course review and exam preparation guide for the IB Mathematics SL exam. The content of the book is based on the subject guide published by the International Baccalaureate Organization. It covers all topics required for exams beginning in 2014 and includes:

- A full length diagnostic test with markscheme and fully explained answers
- Study tips and exam strategies
- Topic review and practice for each strand of the IB Math SL curriculum including explanations and examples as well as problem sets with fully explained solutions
- Two full length practice exams with markschemes and fully explained answers

This all encompassing book can also serve as a supplement to classroom instruction throughout the two year IB Math SL course, a resource for the Internal Assessment project and a review resource during first year college math courses.
