

## My Favorite Music

Stankov 9/18/2012 ESL Writing Prof. Tom Kane THIS IS MY MUSIC I have always been attracted to trance and house music, because when I was younger I was fascinated by its sound. It was like nothing I had heard before. It was not often played on the radio, and is still not. But whenever I heard it, I knew that was the music that I was born to listen. I feel that I can appreciate different music styles because each one has something new to offer. I always listen to music when I drive, walk to class, or go to the gym.

I also listen music at home on the television sometimes. There is not a day that passes by when I do not listen to music. Therefore, I believe that music has an extremely great influence on my thoughts, moods, and behavior. Different types of music can drastically alter my thoughts, moods, and behavior. I am my music. More appropriately, my music represents my eccentric nature. My love for house music is endless. I suppose you can say I am a fan of strange music but for me I'm fan of good music.

In my opinion good music is a song that has the capability to create strong feelings. The good music can stimulates excitement, ecstasy or nostalgia, it is one that triggers an emotion. As far back as I can remember I have always loved good music and my ipod has always been my most faithful companion. The eclectic nature of my kind of music has taught me to never judge people superficially but view them in depth. I cannot describe myself very good at this point because of my lack of knowledge in English but what I can tell you that, my passion is house music.

You can ask yourself is house music a "good music" or not. But I cannot wait to meet your ipod and try to define you by your type of music whether you are the 'romantic' or the 'realist'. I would like to know if we like similar songs or have conflicting opinions on some and if you are not into music, I could maybe teach you to love and appreciate it and maybe we could stay up late some night with some food trying to rate and enjoy good music.
