

# My FIRST PET

Pets are like blessings of god for me. They are the one who love us unconditionally. They always offer us everything they have without asking for anything in return. The main aim of any pet is to make its master happy and cheerful. Now a days we are experiencing that the term master and owner has changed to friends. Some people treat their pets as their own kids, and behave like their parents. Thus the relationship between pets is evolving. People treat them no less than humans. For some people celebrate the birthdays of their pet and they also get those matching outfits and more.

In my opinion, I feel the pets rightly deserve it. The most common pet you can find at anyone's place is dog. A ~~in~~ The most faithful animal is a dog. It can also be seen as man's best friend.

I was overwhelmed with joy when I got my first pet which was a dog. I searched on the net for various fancy names. I chose a unique name called Oscar. Some time I called his Oss. ~~Shelle~~ He came in our family like a blessing. He belongs to the breed of Labrador. Oscar was a chocolate Labrador. So chocolate is the rarest Labrador colour. That is because of the nine possible E and B gene combinations only two produce a chocolate coat. He has a clear eyes and a glossy coat. He always remains energetic looks energetic. He is also well socialized.
