Light To My Path Volume 1

Oladipo G. B. Ogunseitan

Light To My Path Volume 1:

THE PATH OF LIGHT Iyke Nathan, 2019-12-02 The Path of Light is a spiritual book designed to guide humans into the Light of Christ as well as to strengthen those already in the Light of Christ to be firm and steadfast. The path of darkness which promotes wickedness cannot ultimately benefit the human race; only the path of Light in Christ can benefit us here and hereafter. The author himself, who came from the peak of darkness into the Light of Christ, wrote this book with a burning desire to lead people to the Light of God. Sound spiritual knowledge is imperative if one's objective is to gain ultimate victory on the path of Light. Consequently, the Prince of Darkness and his cohorts can take advantage of man's lack of true spiritual knowledge of the ways of God to manipulate, dominate, and destroy even the people of God. Thus, God Himself said, "My people are destroyed for lack of knowledge." Hosea 4:6. A believer who is bereft of sound spiritual knowledge, as taught by the Harbinger of the Last Covenant, is like a man with a bucket of water on his head who goes about looking for a cup of water to drink. This situation is not the best for anyone. It is an enslavement of darkness sustained by the illusions of ignorance. Ignorance is darkness, and darkness must flee from the Light flowing to us from God through Christ. This book is set forth by the Spirit of God as a light to dispel darkness and in the name of Our Lord Jesus the Christ, this work will assist you to be completely situated on the true path of life, the path of Light, the path of perfection in Christ. The book under the present title, The Path of Light Vol 1, has a complete new chapter added to the previous chapters of the former title. And apart from the added new chapter, the previous chapters are also revised and updated by the author. The second volume of this book, The Path of Light Vol 2, is one of the greatest spiritual treatises of all times. This is so because it is a Divine message which the Harbinger of the Last Covenant received directly from the Lord Himself in the realms beyond. It is an important message which the reader, after reading The Path of Light Vol 1, should endeavour to read. And if you read the second volume of The Path of Light first, also endeavour to read the first volume. The Path of Light Vol 1 has five chapters on diverse spiritual issues which includes but is not limited to some messages which the author received directly from the Lord in our time. The Path of Light Vol 2 comes under a different setting. In each page of this second volume, the Harbinger of the Last Covenant presents a verse of the message he directly received from the Lord, as well as his brief comment on each verse of such message. My sincere prayer is for the reader of the first and second volumes of The Path of Light to be lifted and sustained on the path of Light by the Spirit of Light in Christ. Our Lord Amen. Lady Imaobong Udeme Uzorma, Wife of the a The Gospel of Luke - Volume 1 F Wayne MacLeod, 2025-11-20 This is the first volume of Luke's account of the life and ministry of the Lord Jesus Christ. It is the longest of all the gospel accounts. As a physician and traveling companion of the apostle Paul, Luke assures us that he was very careful in his research of the information contained in this account. His passion was to write an accurate record of the events that took place in the life of Jesus so that future generations would have certainty of the events that had taken place. All information contained in his account was obtained from eyewitness accounts of the events. This commentary
