## NOVEL STUDY

The image displays a collection of educational resources for a novel study on "The Lightning Thief" by Rick Riordan. In the foreground, a cartoon illustration of a young boy with dark hair, wearing a red t-shirt and blue shorts, is sitting on the floor reading a book. Behind him, several overlapping worksheets and a book cover are visible. The book cover, titled "THE LIGHTNING THIEF" by Rick Riordan, shows a boy in a yellow shirt standing in a stormy sea with a lightning bolt striking a lighthouse in the background. The worksheets include:

- Chapter 1 and Chapter 2** sections with reading objectives and comprehension questions.
- A **Guided Reading** section with a table for tracking progress.
- A **Writing Connections** section with a globe icon and a prompt: "Connect the story to real life. How does it relate to things that you see in the world around you? Explore how the story reflects society, current events, or issues. Discuss the lessons we can learn from it."
- A **Deep-to-World Connections** section with a globe icon and a prompt: "In the story, the narrator and their father take time to appreciate the beauty of nature and its creatures. How can we apply the sense of wonder and connection to nature in our own lives? How can we use this connection to help us understand the world around us?"
- A **Plan to Write the Setting** section with a globe icon and a prompt: "Describe the significance of the setting in the story. How does it affect the characters and the plot? How does it contribute to the overall mood of the story?"
- A **Character Analysis** section with a globe icon and a prompt: "Choose one character from the story and describe their role. How do they contribute to the story? What are their strengths and weaknesses? How do they change over time?"
