Models Of The Church:

Models of the Church Avery Dulles,2002 There is today a dramatic reexamination of structure authority dogma indeed every aspect of the life of the Church is held up to scrutiny Welcoming this as a sign of vitality Avery Dulles has carefully studied the writings of contemporary Protestant and Catholic ecclesiologists and sifted out six major approaches or models through which the Church s character can be understood as Institution Mystical Communion Sacrament Herald Servant and in a recent addition to the book as Community of Disciples A balanced theology he concludes must incorporate the major affirmations of each The method of models or types observes Cardinal Dulles can have great value in helping people to get beyond the limitations of their own particular outlook and to enter into fruitful conversation with others Such conversation is obviously essential if ecumenism is to get beyond its present impasses This new edition includes a new Appendix and Preface by the author
