Japan is my dream vacation destination, because I am interested in Japanese culture, foods, spa, unique cities, fashion, and technology. First, I like the culture. They have a holiday named: "Seijin No Hi", which can be understood like a mature day for all the girls who have just become legal adults. On that day, almost families buy a kimono (Japanese traditional costume) for their daughter, and the young girls, who become mature, will typically go to a nearby shrine and pray for health, success, money, etc... Also, I love Japanese food, like tofu, sushi, miso, soba..., which is one of the healthiest and most delicious in the world. It provides a different outlook about food, which cannot be compared with others country food. One more special thing in Japan is the spa. In a spa, the interior decoration make you feel comfortable and so relax; moreover, they use the hot water which comes from a volcano and it contents mineral.

In addition, the Tokyo city, capital of Japan, is one of the busiest cities in the world. It is modern and extremely crowded; however, it still has a lot ancient temples. One more thing that I am interested in Japan is special style of fashion. I believe that Japanese has their own unique style which cannot be found elsewhere in the world. You never know what kind of ideas they are going to come up with, or what they are going to put on their clothing, and what kind of hair style they are going to set up. Finally, Japan technology, which is in very high position, is usually among top 3 in the world. They have created a lot of things which are helpful and durable like cars, cameras... To me, Japan is a nation where you can experience old traditions and high-technology all in one. This country is full of mysteries and I will discover them. There are some of the reasons that make Japan my dream vacation destination.
