Lead Market India
 Cornelius Herstatt,Rajnish Tiwari,2016-11-26 India is still perceived by some as a developing country that has yet to create world class products of its own However this book shows that in recent years India has emerged as a lead market for frugality driven innovations that are affordable robust and successful even outside its geographic boundaries Many global companies have recognized these changes and are ramping up their local R D capabilities At the same time several Indian firms are venturing out to international shores and gaining access to new markets Using a top down approach the book takes a closer look at systems of innovation at work and presents examples of successful corporate innovations in multiple industries and their contextual conditions
