

Greek Mythology Scavenger Hunt Activity

Materials:

- 18 Greek mythology fact cards (pages 2–6)
- Greek mythology questions worksheet (pages 7–8)
- scissors
- scotch tape

Preparation

Print the fact cards and cut them apart.

Make copies of the Greek mythology questions worksheet (2-sided). Each student will need his or her own copy.

Hide all 18 Greek mythology fact cards around your classroom where students will be able to find them. You can put them on the back of your classroom door, on chairs, on the computer keyboard, on the sides of student desks, or wherever you like.

Activity

Students receive copies of the question worksheet. They have to search the classroom to find the fact cards to answer the questions.

After they have completed the question sheet, you can go over the answers together with the class.

Management tips

You may want to make this a silent activity so students don't share answers with each other.

You can have the kids work by themselves or with partners.

Don't be afraid to hide the facts in tough places. Kids think it's more fun when they have to search around a little.

Examples of good hiding spots might include:

- sticking out of a book, like a bookmark
- the back of the classroom door
- lying flat on the classroom bookshelf
- on the side of the bookshelf
- on the back of the teacher's chair

Have a plan for students who finish early. You may want to have an assignment for them to complete when they're done, or you may have them help other students find fact cards.
