## The Ultimate Cheat Sheet

A Visual Guide To Achieving LinkedIn Profile Perfection in 7 Steps

### 1 The Perfect Profile Blue Print

There are more than 350 million professionals on LinkedIn. To stand out, you need to pay great attention to creating a profile. In this section, you'll learn how that's done.

#### Headline 120 characters

This is the most-important aspect of the profile! Be succinct, creative, and include key terms that make it easy for others to define your industry and your role within.

#### Name

Include your first, last, and middle name (if applicable). This is not the place for nicknames or humorous references to job titles (such as "sales rockstar" or "developer ninja").

#### James Eaton

Award winning Sports Psychologist who works with some of the best sports people in the UK.

Southampton, United Kingdom | Sport

487 connections

Add your industry to be more visible to searchers.

#### URL

Customize the LinkedIn URL to make it easy for people to find you.

Find your unique URL in the light-grey box below your name. Click the edit button and revise.

✓ [linkedin.com/in/jameseaton](https://www.linkedin.com/in/jameseaton)

✗ [linkedin.com/pub/james-seaton7342/7864](https://www.linkedin.com/pub/james-seaton7342/7864)

#### Profile Photo

First impressions matter during business meetings and when people see your profile picture.

Consider your industry in addition to potential consumers and peers to select the appropriate headshot.

#### Dos and don'ts of LinkedIn profile photos

Do's

##### Get a professional photographer

It's worth the investment to get a professional headshot. You'll look more credible and professional.

##### Look personable

Smile! Don't be too serious. A friendly smile goes a long way. Avoid being too casual or too formal.

##### Use most of the frame

Your face should be the central focus. Avoid being too close to the camera or too far away.

##### Choose a familiar picture

Keep your picture up to date. If you've changed your look, update your profile picture to reflect your current appearance.

Don'ts

##### Be professional

Avoid anything that might be considered unprofessional, including party photos, photos of children, and photos of pets.

##### Balance formality

Don't be too formal or too casual. A professional headshot is the best balance.

##### Leave fido out

It's a cute idea, but your dog is not a professional headshot.

##### Keep the background neutral

Don't let your background distract from your face. Choose a neutral background.

Adding a professional photo of yourself to your LinkedIn profile can result in
