The Legislature****Terms and Names****Preamble:** Introduction to the Constitution**Congress:** National legislature**House of Representatives:** Lower house of the national legislature**Senate:** Upper house of the national legislature**checks and balances:** Provisions of the Constitution that keep one branch of the government from controlling the other two branches**enumerated powers:** Powers specifically granted in the Constitution**implied powers:** Powers not specifically stated in the Constitution**elastic clauses:** Clause in the Constitution that allows Congress to pass laws necessary to carry out its enumerated powers**Before You Read**
