Understand

Keep trying

Smarter

Making mistakes is a part of learning. When we try new things, we may get them wrong at first. But that's okay! Mistakes help us understand what to do better next time. If we never made mistakes, we would never improve. Great inventors and scientists failed many times before they succeeded. Instead of feeling bad, we should learn from errors and keep trying. Every mistake teaches us something new. The important thing is to never give up. By embracing errors, we become stronger and smarter. Remember, mistakes are just steps on the path to success!
