Iseb Business Analysis Study Guide:

Foundation in Business Analysis ISEB Certification Study Guide tnbsolutions , tnbsolutions,2010-02-02 This book gives an overview of the Business Analysis discipline within the IT industry. It attempts to explain the evolving business analysis discipline in an IT-enabled organisation and acts as a guide to the ISEB foundation certification in business analysis. This book is mainly for ISEB certification offered by BCS. The content is structured in a question answer manner to help answer specific questions asked in the ISEB exam. It also includes two sample papers and a companion CD containing CBT material. CBT acts as an additional source of learning which includes scenarios, examples, quizzes that help confirm the theoretical concepts explained in the book.

British Qualifications Kogan Page,2006 The field of professional academic and vocational qualifications is ever changing. The new edition of this highly successful and practical guide provides thorough information on all developments. Fully indexed it includes details on all university awards and over 200 career fields, their professional and accrediting bodies, levels of membership and qualifications. It acts as a one stop guide for careers advisors, students and parents and will also enable human resource managers to verify the qualifications of potential employees.

British Qualifications Kogan Page,2004 In a single volume the new edition of this guide gives comprehensive coverage of the developments within the fast changing field of professional academic and vocational qualifications, career fields, their professional and accrediting bodies, levels of membership and qualifications and is a one stop guide for careers advisors, students and parents. It should also enable human resource managers to verify the qualifications of potential employees.

Your Professional Qualification ,2002 What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society and is it better than a non chartered body? What is the difference between a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification, you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead, entry requirements, where to apply and where to study. Derived from the vast and authoritative British Qualifications database, this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Built around a comprehensive directory of professional qualifying bodies, each professional area is described in depth and its qualifications identified and explained. The book is supported by a simple website which ensures purchasers of the book are kept up to speed with new developments.
