PAPER FORMAT

The format of term papers and the file paper with regard to content is based upon the style used in the ACM publication *Communications of the ACM* and guidelines for presentation and typing are specified by the department. Students are strongly encouraged to develop a familiarity with the editorial style and format of *Communications* prior to **manuscript preparation**.

The paper consists of four parts:

1. Title Page - a standardized page for specifying the title and author of the paper. A signature page is required for the file paper. (See attached example).
2. Abstract - a brief, concise summary of the paper as described in the suggested outline. It must be printed on a page by itself.
3. The text of the paper.
