Father Allan S Island:

Father Allan's Island Amy Murray,1920 **The Man Who Gave Away His Island** Ray Perman,2011-08-12 In 1938 John Lorne Campbell bought the Hebridean isle of Canna He wanted to prevent it becoming a rich man s playground like so many other islands and Highland estates to preserve a part of traditional Gaelic culture and show that efficient farming methods could be compatible with wildlife conservation and sustainability But his determination to get the island left him burdened by debt and even after he gave it to the National Trust for Scotland in 1981 he still had to fight to secure his legacy This acclaimed book is an insightful and human portrait of one of the twentieth century s most significant scholars of the Gaelic world and of his 60 year partnership with Margaret Fay Shaw who together created the world famous library of Gaelic song and other material at Canna House *Come by the Hills* Cameron McNeish,2020-10-20 Observant and witty Muriel Gray In *Come By The Hills* Cameron McNeish shares his journeys through Scotland on foot by bike and in his wee red campervan He is still an adventurer but these days things are a bit different Reaching summits is still enjoyed but no longer a priority Instead he takes us on a wide exploration of Scotland s hills forests and coastlines and the ancient tales that bring a turbulent history to life He takes us into the loveliest of glens Etive and Lyon to our most distant islands in the Hebrides and Shetland and reminisces on wonderful characters such as Dick Balharry Finlay MacRae and the early working class climbers when they first took to the hills **Father Allan's Island** Amy Murray,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Genealogy of the Allen Family* Daniel Gould Allen,1898 *The Traditional and National Music of Scotland* Francis Collinson,2021-10-12 Originally published in 1966 this was the first book on this subject to be published for over a hundred years It covers all facets including little known types of Gaelic song the bagpipes and their music including the esoteric subject of pibroch the Ceol Mor or Great Music of the pipes It gives a comprehensive review of the fiddle composers and their music and of the Clarsach and its revival with an example of all but extinct Scottish harp music A chapter is devoted to the music of Orkney and Shetland and the book contains over 100 examples of music many of which were from the author s own collection and published here for the first time *The New*

Republic, 1921 **The Catholic Directory for the Clergy and Laity in Scotland**, 1906 **The World's Debt to the Irish** James Joseph Walsh, 1926 *The Anglican Church in the Anglophone Caribbean* Chris Fauske, 2025-10-02 This book highlights the Church's significant cultural, social, and political presence across the Anglophone Caribbean. Individual authors collectively provide a series of readings of historical and contemporary issues negotiated by the Anglican Church in the Caribbean that capture the complex, integral role the church played in shaping the individual identities of the islands while seeking also to be a pan-national voice for a shared set of global values and aspirations expressed regionally. The volume offers religious and secular readers an opportunity to better understand the role and history of the Anglican Church in the region. It acknowledges historical failures, challenges the notion that the church is colonial, and highlights the continuing importance of the Church to individual lives and regional aspirations. Combining examination of the church's complicated relationship with history and a variety of personal engagements with Anglicanism in the Caribbean, *The Anglican Church in the Anglophone Caribbean* demonstrates the continuing significance of the Anglican Church in the development and contemporary life of the region. *The Fortnightly Review*, 1921 **Books of 1921-1925** Chicago Public Library, 1927
