Fearon's Careers Marna Owen,1994      *Belfast: out of the Shallows* Brian Fearon,2022-04-12 A story of love loss and striving for redemption Joe awkward and indecisive is reared in the heart of West Belfast roaming the streets with his wee pal Ramie All around the city was smouldering ready to break into a conflagration As teenagers playing football pursuing girls but looming closer was the shadow of Northern Ireland s Troubles At 18 Joe fell in love with a girl Jess from a different cultural dimension Their romance was short lived Joe and Ramie took a decision that was to have ultimately tragic consequences for both The pair became embroiled in the armed struggle robbing a betting shop manning roadblocks and trying to execute Driller Doyle Joe had a serious conflict with another volunteer Seemingly inconsequential to Joe his adversary dedicates his life to getting revenge Scarred by all the events Joe escaped from Belfast Along the way there were women he met who influenced him Dolores Lisa and Jess will be forever in his thoughts He thought he left behind the trauma after building a new life in Scotland but the influences from Belfast continued to reach out to him drawing him back and pursuing him into the safe haven of his new life      **Summary of Scott Fearon & Jesse Powell's Dead Companies**

**Walking** Everest Media,2022-05-19T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I learned the basics of money management from Geoff Raymond who ran the investment division at Texas Commerce Bank in Houston He was a very deliberate person and he believed in human to human contact rather than numbers to gauge a company s future performance 2 I was very nervous about visiting the offices of Global Marine a company I was considering buying I was worried about the company s cyclical nature and whether or not I could predict the bottom of a downturn I decided to wait and buy it on the way up at 7 or 10 3 The oil services industry unraveled in Houston in the early 1980s and utilization dropped from 70 percent to 25 percent Global Marine s stock was trading under 1 by mid 1985 4 People often learn from history but only the recent past They forget that the past is not a reliable predictor of the future Investors frequently fail to look beyond the recent past and this has gotten them into trouble      **Globe Fearon's**
