

Feathers Body Biography

For your chosen character, your group will be creating a body biography – a visual and written portrait illustrating several aspects of the character's life within the novel. After completing this portrait, your group will participate in a presentation class. This presentation should accomplish the following objectives:

- Review significant events, choices, and changes involving your character
- Communicate the full essence of your character by emphasizing the traits that make her/him who he/she is
- Promote discussion of your character

Depending on the character in question, your body biography may contain:

- A review of significant events in the novel
- Visual symbols
- An original text
- Some of your character's important statements or other quotations from the novel
