Your Confirmation of Acceptance for Studies - You need a Confirmation of Acceptance for Studies in order to apply for Tier 4. Copy this from your CAS statement. You should not use the same CAS number that you have used previously.

2. Passport details

Passport number - Enter the number of the passport that you intend to submit with your immigration application. This should match the passport number in your CAS statement. If it does not match, please contact cas.enquiries@homeoffice.gov.uk before proceeding with your immigration application.

Do you have another passport or travel document? If you do not have the details of a relevant previous passport, you can enter 'not known' for the passport number, and write approximate issue and expiry dates. You should then explain in the 'Additional information' section of the form that these are approximate dates and provide the reason as to why you do not have the details of your previous passport.
