Joe Nelson Scouting Report:

The Wizard of College Baseball David Brauer, 2024-06 Named a Top 20 Best College Baseball Book of All Time by Book Authority No one changed the landscape of college baseball like Ron Fraser The sport enjoyed little national interest until Fraser arrived at the University of Miami in 1963 and built his program into an entertainment empire and a national champion Nationally televised college baseball games on ESPN can be traced back to Fraser's lobbying work in the network's early days His efforts resulted in coverage growth and paved the way to making the College World Series one of ESPN's marquee events He created many one-of-a-kind promotions such as an open heart surgery for one lucky fan redeemable in a five-year window and the first mascot devoted to a college baseball team the Miami Maniac Aimed at gaining attention for his program and putting fans in the seats his innovations achieved desired results on both fronts Miami Hurricanes baseball became widely popular as the sport's main draw in South Florida long before Major League Baseball expanded to the market full-time Fraser's biggest impact was on the field Before the Miami Hurricanes football program became a household name he put the school's athletics program on the map by winning its first national championship Fraser inherited a floundering baseball program that had no equipment or following and could pay him only as a part-time employee he built that program into a perennial national power that made regular appearances at the College World Series Along the way he developed countless players into All-Americans MLB Draft picks and eventual Major Leaguers While some coaches have matched his wins and championships none compare to his trailblazing and impact on an entire sport David Brauer traces the roots of modern-day college baseball's success to Fraser's work at Miami *The Wizard of College Baseball* is an inspirational and entertaining reflection on how one man forever changed college baseball accelerating the sport's growth and setting a new standard for modern college baseball well ahead of his time *Reminiscences of a Mosby Guerilla* John W. Munson, 1906

A Soaring Season Aaron Bracy, 2025-03-01 The 2003-04 season was a dream for anyone in the orbit of Saint Joseph's basketball Being a student on Hawk Hill at the time I lived every second of it and long assumed I knew everything imaginable about that team and that time Aaron Bracy proved otherwise *A Soaring Season* isn't only a joyous echo of those days but it's a deeply reported dive into all the coincidental circumstances required for ordinary people to go extraordinary places Brendan Quinn *The Athletic* In the 2003-04 season Saint Joseph's became the most unlikely and most incredible story in college basketball The underdog Hawks captivated the entire city of Philadelphia and much of the nation with a unique guard-oriented style and team-first mentality featuring players who were not wanted by power conferences Big-time programs passed over star point guard Jameer Nelson because of his height but Nelson played an oversized sensational game that dwarfed his 5 feet 11 inches height Nelson's backcourt mate Delonte West was a lightly recruited prospect out of high school but transformed himself into an NBA first-round draft pick with a work ethic and competitive drive that never had been seen before or since on Hawk Hill Outspoken head coach Phil Martelli overlooked for the only job he had ever wanted until he was

nearly 41 years old surrounded Nelson and West with a perfect cast of complementary players Individually none of Nelson and West s teammates would be mentioned as an All American candidate Put all of the Hawks together however and you had a practically unstoppable force Not only did the players accept their roles they relished them And each one s contribution from Nelson and West all the way down to former cheerleader and walk on Robert Hartshorn was crucial to the entire team s success The Hawks spurred on by a mascot who never stops flapping its wings and a never quit school mantra The Hawk Will Never Die played their games in a gym that wasn t even as modern as many high schools Not much about the Hawks home felt big time not much that is except their team It was this low budget mom and pop men s basketball program that overcame seemingly insurmountable odds to complete a perfect regular season rise to the unanimous No 1 ranking in the country and become the envy of the blue bloods of the sport St Joe s provided hope then and today by reminding everyone that you don t have to be the biggest to beat the biggest or have the best to be the best

High and Inside Lou Gorman,2007-11-07 Lou Gorman is best known for having assembled the great but star crossed Red Sox team of 1986 Few perhaps know that he also laid the foundation for the Mets club that clawed past them Or that he is the only baseball executive involved in the start up of two teams the expansion Mariners and Royals that he won a World Series with the Orioles or that he has drafted Roger Clemens signed George Brett developed Jim Palmer and traded away Jeff Bagwell In all Gorman has spent parts of five decades in the front offices of five major league franchises directly involved in the development of clubs that won three World Series five pennants and eight division titles The stories behind those teams and Gorman s dealings with players managers and other of baseball s higher ups are shared here for the first time
