[Orange Pride Car Wash](#) Gary Goldsberry, 2019-10-27. The Orange Pride Car Wash has been the most affordable car wash in Stillwater, Oklahoma, for some forty years. Originally, there were four Orange Prides, now only one is left, but keeping these last ten wash bays open and running is sometimes a bit of a challenge. Self-service car washes seem simple enough on the outside; put in the quarters, select a function, and wash your vehicle. As long as everything is working, we don't think much about how it works. But the part you don't see from the outside—the components that make it work—can be confusing when seen from the inside. This book attempts to explain the components, functions, maintenance, and repair of a self-service car wash. By breaking down the various parts and pieces that make up the necessary equipment and explaining the interaction of that equipment, so that out in the wash bay you can push a button and wash.
