Mary Oliver Owls Analysis:

In Pursuit of a Multilingual Equity Agenda Meg Gebhard, Kathryn Accurso, 2023-03-10 This critical volume provides accessible examples of how K 12 teachers use systemic functional linguistics SFL and action research to support the disciplinary literacy development of diverse learners in the context of high stakes school reform With chapters from teachers teacher educators and researchers this book paves the way for teachers to act as change agents in their schools to design and implement meaningful curriculum instruction and assessment that builds on students cultural and linguistic knowledge Addressing case studies and contexts this book provides the framework tools and resources for instructing and supporting multilingual students and ELL This volume intended for pre and in service teachers aims to improve educators professional practice through critical SFL pedagogy and helps teachers combat racism and anti immigrant rhetoric by contributing to an equity agenda in their schools , CliffsAP® English Language and Composition, 3rd Edition , *Beyond the One Room School* P. Bruce Uhrmacher, Kristen E Bunn, 2011-10-19 The purpose of this book is to showcase K 12 unique and educational significant activities that we may all learn from The essays in the book under girded by sound research highlight remarkable activities that are already taking place around the world The essays offer a detailed description of a classroom or a school provide an interpretation of what is taking place in this setting and why and inform readers about what can be learned from the setting Some readers will appreciate the vivid descriptions which will encourage them to push their own thinking Others may learn from the author s discussion of essential ideas from the essay which can be reflected upon and tranferred into other situations All readers are likely to appreciate hearing about the varied and creative activities The stories of these noteworthy teachers fall into four categories risk taking creativity care and community and interconnectedness Within these themes are ideas that teachers can use to create their own remarkable classrooms Each theme is discussed and then several examples of how the theme plays out in the educational setting are described

Sustainability Education for Children and Young People Nicola Watson, Elena Lengthorn, Carla Solvason, Geoffrey Elliott, 2025-06-06 This seminal volume responds to the pressing need to prepare all children and young people for a sustainable future in light of the climate crisis providing clear and accessible information and strategies on how to fully embed sustainability into pedagogy and supporting current and future educators This book explores key environmental issues before exploring a range of pedagogies each grounded in hope and exemplifying the principles of inclusion empowerment agency and social justice Chapters explore major themes such as climate migration and displacement climate activism nature connectedness sustainable leadership and eco anxiety to offer practical scalable pedagogies that connect with the natural world Designed to channel climate anxieties into energy for a reinvigorated sustainable future of education this book encourages an accessible and considered approach to classroom practice Featuring contributions from wealth of international experts in the field the volume ultimately provides a valuable resource for educators and students of education

in all phases to develop the confidence to take an active lead in shaping education to help ensure a sustainable future This book will appeal to educators policymakers and researchers in environmental and sustainability education teacher education social justice education and educational leadership Curriculum designers as well as those working across primary secondary and higher education will also find the volume of interest
