**INCIDENT ACTION PLAN**

Regulation 806 C.M.R. 7.11(5)(f)

(Behavioral Incidents, Accidents, Property Destruction, Emergencies)

It is important for administrators and educators to identify the reasons why a child may be exhibiting certain types of behavior through the process of evaluating the program's environment, transitional patterns, triggering behavioral patterns, and the quality interactions between child and educators. This preventative tool begins the process of working with a child and their parents to identify concerns and offer solutions to assist the child in integrating successfully into the program and when appropriate, offering referrals. EEC recommends that program administrators and educators meet with parents as soon as an issue is identified to build a partnership of trust and to avoid suspension and termination.
