

In Part 1 of the First Certificate Paper 1 Reading, you match the headings to the appropriate paragraphs in a text. In the first text you read about computer games, match the headings to the paragraphs, answer questions about specific information in the paragraphs and learn some related vocabulary. Then you practise this question type with other texts by choosing the best heading for the paragraphs in one text, deciding the main idea of the paragraphs in another text and choosing headings for them. You do another paragraph matching exercise with the final text.

Activity 1

Text 1 > Think About it: Computer games

3 mins

Do you use your computer to play games? Why do people like computer games? Are they just a waste of time? Are the effects of computer games all bad or can they be good for us?

Our ideas:

Computer games are the fastest growing part of the computer software market. Millions of dollars go into their research and development. While some argue they have a detrimental effect on us, there are many psychologists who say that we are using and developing important skills while playing games.

Activity 2

Vocabulary 1: Game words

5 mins

You are going to read an article about computer games. Before you read, join these words commonly used with computer games with the correct definition.

1.	strategy	(a) the ability to physically manipulate something well
2.	agility	(b) facts that someone has learnt about something
2.	agility	(c) the other player in a competitive game
4.	skill	(d) requiring thought and planning rather than quick reflexes
5.	opponent	(e) knowing how to do something e.g. kick a ball, read quickly

Activity 3

Reading: 'Internet Gamers' reviews

12 mins

Read this article from a recent issue of 'Internet Gamers' magazine. The writer reviews some recently released computer games. Choose the most suitable headings from the list A - G below for each review paragraph. There is one extra heading you do not need to use.

exam tip

Matching headings

When matching the headings to paragraphs you should look for **key words** or **phrases** which give the overall meaning of the paragraph. Underline the words or phrases in the paragraph which link it directly to the heading.

Title	Paragraph number
A. Beat your opponents in this strategy game
