## **Guide Napa Valley Wineries:**

A Tour Guide's Napa Valley Lahni Deamicis, Ralph Deamicis, 2021-04-15 This book is like having friends in Napa Valley. The secret to truly enjoying the valley's remarkable wineries is knowing where to go and getting an insider's tips is always exciting. When you are getting ready to visit, who better to know in Wine Country than two Tour Guides who constantly wow their clients with their insights, opening them up to new ideas, new possibilities, and new wines to enjoy. Napa Valley is a gorgeous destination with near perfect weather year round and it's home to hundreds of unique wineries to thrill every palate from the novice to the collector. But choosing the perfect wineries to visit can be tricky, and that's where this book comes in. In our work guiding visitors around Napa since 2005, helping our clients get the most from their visit, we have answered more questions than you can imagine asking. The first half of this book are the answers to the most asked questions from how to get there, where to stay, how to dress, what to expect in a tasting, and quite importantly, how to taste wine to best capture its true nature, and there's much more. The second half is the directory of three hundred and eightyish wineries with our personal comments. Finally, the book features our tour maps to help you navigate the country roads that connect the wineries together. This is the insider info you'll want whether you are planning to visit for a day or a month. **Napa Valley** Antonia Allegra, 1997 At every winery in the legendary Napa Valley, visitors are certain to taste the finest wines, but these wineries offer more than elegance in a glass. In the Napa Valley, the unexpected combinations of distinctive architecture, spectacular panoramas, ancient and contemporary art, romantic gardens, and idyllic picnic sites complement state-of-the-art wine-making technology and gentle hospitality. **The Napa Valley Book** Mick Winter, 2003-07 Everything you need to know about America's favorite wine and food destination. Readers will also find historical landmarks, a chronological history of Napa County, Napa County statistics, maps, photos, wedding planning, contacts, kids' favorites, help on relocating to the valley, and even a section on Napa Valley trivia, including movies made in the valley, ship building, and the World War II era POW camp.
