

A Parents Love

**If you're not a parent then you don't know
The aches and pains that do not show.
When we see our child sick in bed
And so many thoughts go through your head.
When your child is in the hospital with 103
And by their side is where you want to be.**

**Recalling the first time that they ride a bike
And they fall and scrape their knee
And it seems they cry endlessly.**

**When you play with their imaginary friends
And it seems like it will never end.
then they go to pre-k
and for hours They have to stay.
Then they go to kindergarten and they
Meet children their same age
And it becomes fun and games.**

**Soon they're out of elementary
And go to junior high
And then the aches and pains
Really begin to fly.
They already experienced their
First kiss, and possibly a sexual
Affair, and with you they will not share.
Soon it's high school and college to follow
And you don't see them for quite a while.
Then you get a call that they're engaged
And you know your life has changed.**

**Then comes a marriage and a family
And a grandparent you will be.
But as a parent our love will never
Grow old, and this is something
That you are now told.
We are your parents and we will
Always be, we'll love you now
And thru eternity.**
