Stegian Mandy M. Roth, Reagan Hawk, 2017-08-29 Stegian is a man held prisoner in his own body by a vampire demon A demon hell bent on ridding the planet of all Janelles He rules by fear and he rules well But when a mysterious gorgeous woman arrives late one night tempting him claiming to want to save him from himself everything changes He longs for her and wants to believe her words are true that she can separate him from the vampire he carries within Dare he hope Dare he believe Jacquelyn Janelle is no longer held to the same rules that apply to her people She s ascended and gained valuable insight into the universe and its plans for one thought lost to evil More than that she s fully aware who he is to her her true mate She ll stop at nothing to assure she saves him even if it s from himself The Soul-Catcher's Calling Nigel J. Jamieson LLD, 2020-01-08 There are hot spots sink holes and hell holes all over the earth They move around a bit Baghdad in Iraq has been often a hot spot Kabul in Afghanistan is another Then there s the sink hole of Tehran in Iran together with the recently war torn Damascus in Syria Don t blame the places nor even the folks New York in the USA London in the UK and Brussels in the EU are no different for being sometimes politically sinking hot spots or terrorist targeted hell holes In terms of prophetic history a welter of the world s biggest cities are everyday battlegrounds from which governmental academics compartmentalise their own specialist solutions Most of these solutions whether military or civic fall so far short of the cosmic solution as to escalate the existing state of world disorder Sure enough without a barebones history of hell there s no point to fixing up hell holes Without the briefest history of heaven it s also pointless to shore up sink holes And as for the world s hot spots you have to look as deep into the souls of the good guys as you do into the souls of the bad guys But you can t just walk off from compartmentalising a problem and expect it to sort itself out For a workable solution you ve got to bring back all the component parts together again that you first took apart and make them work together That s exactly why this Soul Catcher s Calling stops at nothing short of dealing with all things both under the sun and beyond the sun Soul catching is a military operation at first under command and then undertaken entirely by personal commitment All such tours of duty overseas will be carefully monitored and guided by the most experienced of guardian angels However perilous the front line travel none who seriously commit themselves to this soul catching operation shall get left behind Crime Fiction, 1749-1980 Allen J.
