Achievement and Inclusion in Schools Lani

Florian, Kristine Black-Hawkins, Martyn Rouse, 2016-07-22 Thoroughly updated to reflect the challenges of diversity in today s schools this new edition of Achievement and Inclusion in Schools shows how high levels of inclusion can be entirely compatible with high levels of achievement and that combining the two is not only possible but also essential if all students

are to have the opportunity to participate fully in education Each chapter has been fully revised to reflect an understanding of inclusion as being concerned with the learning and participation of everyone in a changing education policy context Based on new case study research this edition sets out to answer the following questions Are there strategies which can raise the achievement of all students while safeguarding the inclusion of others who are more vulnerable How can schools ensure high levels of inclusion as well as high levels of achievement for everyone How might research into these matters be carried out With new case studies in this second edition that reflect the devolution of education policy in the four countries of the UK this book addresses concerns about how schools can respond to differences between learners without marginalising some of them It offers guidance to practitioners as well as those undertaking research on this important topic
