Explorations In Personality:

Explorations in Personality the late Henry A. Murray, 2007-11-01 Explorations in Personality published by OUP in 1938 established an elaborate agenda for understanding our subjective human nature that is as relevant to students of personality psychology today as it was to its audience then An antidote to the now fashionable strategy of representing a person as a dot on a scatter plot or burying the individual in an amalgam of statistics it advocates whole person research and bubbles with suggestions about how to perform such studies IN addition it actually executes with empirical and experimental rigor and ingenuity the kind of detailed engrossing case study approach it recommends recounting the results of a three year long study of fifty college age individuals This book is in short a classic This reissue enhanced by Dan McAdams foreword which will provide a contemporary evaluation of Murray s achievement will thus be of great interest to students and researchers in personality psychology in general and personologists in particular Explorations in Personality Henry A. Murray, Harvard Psychological Clinic, 1959 **Explorations in Personality**, 1963 **Explorations in Personality** Henry Alexander Murray, 2008 Blending no nonsense empiricism with the humanistic desire to understand the whole person this book is as relevant to students of personality psychology today as it was to its many readers 70 years ago *Love's Story Told* Forrest Glen Robinson, 1992 Searching out the private man as well as the public figure this elegantly written biography follows Henry Murray through his discoveries and triumphs as a pioneer in the field of clinical psychology as a co founder of Harvard s Psychological Clinic the co inventor of the Thematic Apperception Test and a biographer of Herman Melville Murray s fascination with Melville s troubled genius his wartime experiences in the O S S and his close friendships with Lewis Mumford and Conrad Aiken all come to the fore in this masterly reconstruction of a life And always at the heart of this story Robinson finds Murray s highly erotic and mystical relationship with Christiana Morgan Love s Story Told penetrates to the heart of a brilliant figure in American intellectual life at mid century as he dives deeply into the unconscious testing in work and love the limits of self exploration *Explorations in Personality. Harvard Psychological Clinic, Henry Alexander Murray, 1938 **Further Explorations in Personality** Albert I. Rabin, 1981 **Gennengang af Henry A. Murray: Explorations in personality** K. B. Madsen, 1950* Explorations in Temperament Jan Strelau, Alois Angleitner, 2013-11-11 The growing interest in research on temperament during the last decade has been re corded by several authors e g R Plomin J E Bates from such sources of informa tion as the Social Sciences Citation Index or Psychological Abstracts The editors inquiry shows that the number of cases in which the term temperament was used in the title of a paper or in the paper s abstract published in Psychological Abstracts reveals an essential increase in research on temperament During the years 1975 to 1979 the term temperament was used in the title and or summary of 173 abstracts i e 34 6 publications per year during the next five years 1980 1984 it was used in 367

abstracts 73 4 publications per year whereas in the last five years 1985 to 1989 the term has appeared in 463 abstracts that is in 92 6 publications per year Even if the review of temperament literature is restricted to those abstracts it can easily be concluded that temperament is used in different contexts and with different meanings hardly allowing any comparisons or general statements One of the consequences of this state of affairs is that our knowledge on temperament does not cumulate despite the increasing research activity in this field This situation in temperament research motivated the editors to organize a one week workshop on The Diagnosis of Temperament Bielefeld Federal Republic of Germany September 1987

Enjoying the Melody of Appearance: An Emotional Symphony within **Explorations In Personality**

In a world eaten by displays and the ceaseless chatter of quick transmission, the melodic elegance and emotional symphony produced by the published word frequently diminish into the backdrop, eclipsed by the constant sound and disturbances that permeate our lives. But, situated within the pages of **Explorations In Personality** a stunning fictional value filled with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts viewers on an emotional journey, well unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase.
