Testimonios: Stories of Latinx and Hispanic Mathematicians Pamela E. Harris, 2021-08-16
 Testimonios brings together first person narratives from the vibrant, diverse and complex Latinx and Hispanic mathematical community. Starting with childhood and family, the authors recount their own individual stories, highlighting their upbringing, education and career paths. Their particular stories, told in their own voices from their own perspectives, give visibility to some of the experiences of Latinx and Hispanic mathematicians. Testimonios seeks to inspire the next generation of Latinx and Hispanic mathematicians by featuring the stories of people like them, holding a mirror up to our own community. It also aims to provide a window for mathematicians and aspiring mathematicians from all ethnicities, with the hope of inspiring a better understanding of the diversity of the mathematical community.

Womanish Theology Khristi Lauren Adams, 2024-08-20
 Khristi Lauren Adams's faith was first shaped by her experiences as a Black girl learning about Scripture from her grandmother, Mama Hattie, playing church with her seven cousins over summer vacation and grieving the murder of her sixteen-year-old friend when she was just fifteen. In *Womanish Theology*, Adams reflects on those experiences, inviting readers to learn from a new perspective and guiding them to a deeper understanding of their own spirituality. This groundbreaking book introduces a new branch of theological thought. Adams calls *womanish* as a play on the *womanist* tradition, the theology of Black womanhood. *Womanish* remembers Adams is a term Black mothers used for young girls as they grew more interested in doing grown-up things. Adams draws on her own life story as well as the life stories of other Black girls to explore theological concepts such as Scripture, theodicy, salvation, prayer, neighborly love, and the image of God. Through this journey, readers will learn that theology is for everyone and that the whole community of God can learn from the spiritual insights of Black girls.
