Camilla Rothe

Fable II See The Future Guide:

A Layman's Guide to Revelation J. J. Ramsay, 2019-12-09 The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology. The book guides its readers into an in-depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation and explains the symbolic use of numbers, colors, and the foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures, the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end times that we are assuredly apart. The guide takes the reader verse by verse, chapter by chapter through the commentators' interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God's word to better understand the times we live. The Heat Files: 1998 James Dixon, Arnold Furious, Lee Maughan, Bob Dahlstrom, Benjamin Richardson, 2015-05-25 Continuing the theme of their popular Raw Files and Complete WWF Video Guide series, the HoW team decided to delve deep into the annals of WWF television B Shows with the first year or rather five months of Sunday Night Heat. The team explores the broadcast in great detail, covering every match and angle, unearthing some forgotten television gems and a whole host of rushed forgettable matches. A companion piece to Amazon best seller *The Raw Files 1998*, *The Heat Files* features such memorable moments as George Steele dancing Mario Lopez from *Saved By The Bell*, tangling with Val Venis, Mick Foley's leafblower, Shane McMahon murdering the art of commentating, Drunk Hawk stumbling around the greatest tag team in history reduced to enhancement jobbers, Terri Runnels getting pregnant, and the odd wrestling match. A fun trip down memory lane from the HoW team.
