For years companies have been implementing programs that promote social responsibility and improve employee health both of which benefit the financial bottom line. Now it's time to focus on positive social interactions and relationships in the workplace. Why? Research shows that authentic trust based relationships increase job satisfaction, engagement, productivity and retention and even decreased healthcare costs. In Work Better Together two experts from Deloitte explain how working remotely over relying on digital communication and always being on is fast increasing feelings of isolation and burnout and how a work culture driven by quality relationships can reverse these trends. The authors show how to cultivate positive relationships by focusing on self care such as physical health, quality sleep and taking time off. Tapping into human skills such as empathy, authenticity and communication. Using technology with intentionality to strengthen relationships while breaking the negative habits technology fosters. Managing workplace relationships whether you're in the office every day or telecommuting or something in between. Developing a culture of strong relationships that drive quality collaboration throughout the organization. Work Better Together walks you through the process of implementing change and fueling a much needed corporate movement towards humanity in the workplace. Based on the authors 40 combined years of experience it helps you meet today's employees most urgent needs while benefitting your organization in real and measurable ways
