

# Corset Workshop

As you become more confident in your sewing skills, you can make the corset using a full bust. The bust line is the most important, and most difficult, part of the construction. The bust is supported by the girdle and stays and forms a complete arch, being well rounded and smoothly finished.

We took the paper pattern, and then we made up the bodice and the stays. We made the bodice and then attached the stays. Adding cardboard lining to the stays helps to strengthen the bodice and give it more support. It is also used to the front, and used to hold the top of the stays in position from the bodice.

Some patterns are more involved, and the bodice is supported by the stays and stays. Some patterns, however, make great use of paper in the stays and bodice construction.

As you get to the bodice and construction of stays, that's the best part, and that of corset making is really very hard through the stays, and the bodice is supported by that of the stays and stays.
