The movie *To Sir with Love*, directed by James Clavel in 1967, deals with vital social issues of the time.

Social class, ethnicity, and gender have always been considered as possible barriers to equality of opportunity in education. This issue is always present in the movie. The main character, Mark, encounters numerous difficulties with employment because of his skin color. The relationship between teachers and students has considerable influence on the students' performance. Teacher's expectations have strong impact on the student's performance. The maturity with which Mark begins to treat the students encourages them to make progress and excites their interest. Trust and tolerance displayed by the teacher and his respect of the student's personalities serve as effective stimuli and improve their academic performance. Individualism and liberty that are often viewed as the main
