## Naval Writing Style Guide:

**The Naval Institute Guide to Naval Writing, 4th Edition** Christopher E Crane, Estate of Robert E Shenk, 2024-06-01  
With updates to every chapter this new fourth edition serves as the premier guide to professional writing for the naval services Authored by a naval officer who taught English at two service academies the book is widely used by officers enlisted men and women and civilians in both the Navy and Marine Corps Shenk provides sound practical advice on all common naval writing assignments across digital and print platforms Fully revised the book reflects the changing landscape of professional communication in general and changes in naval culture in the last decade across the fleet making it an essential guide

*The Personalization Paradox* Val Swisher, Regina Lynn Preciado, 2021-03-08 According to Infosys 86% of consumers surveyed indicated that personalized content has some impact on what they purchase and 25% said that personalization plays a large role in their purchases And yet looking at the data two things stand out Most companies say that personalizing the customer experience is a critical must have and they have the statistics to back it up Very few companies believe they are delivering enough personalized content or deliver it well What's holding these companies back from their personalization goals And how can you avoid the pitfalls and make personalization possible with your own enterprise content In this book global content strategy expert Val Swisher and senior content strategist Regina Lynn Preciado show you exactly what it takes to deliver personalized experiences at scale You'll learn Why personalized content is imperative to the enterprise Why so many companies fail to deliver and how to avoid the pitfalls The five dimensions of content standardization How to bring people technology and process together The impact of big data and artificial intelligence The only way to deliver personalized content at scale is to automate the process at the point of delivery And for that to work you've got to change how you do content The Personalization Paradox Why Companies Fail and How to Succeed at Delivering Personalized Experiences at Scale shows you how

**Naval War College Style Manual and Classification Guide**, 2000 This Style Manual and Classification Guide provides writers with information on development of papers or reports resulting from research or analytical efforts It describes format and documentation and gives examples for the preparation of written documents Especially useful are the sections devoted to specific forms for footnote and bibliographic entries pages 13 to 32 Formats included in those pages are generally consistent with the Turabian system of citation While several methods of citation are in general use today Turabian provides a recognized standard system that is easy to use and universally understood The examples in this publication will suffice for virtually all of the types of citations writers will need In the rare instance that situations not covered here are encountered multiple copies of Turabian are available in the Library This manual is complemented directly by the Naval War College Writing Guide and by the Naval War College Library and its staff The Writing Guide offers guidance and suggestions for conducting research and composing papers to satisfy curriculum requirements
