for teaching For use with the Amos Icon Series Bible study [Joel - Leaders Guide](#) Steven Wunderink,2014-10-01 The ICON series is a group of Bible Studies on the Minor Prophets We have a crisis of DEPTH in our knowledge of scripture today and this series is meant to take you into the depths of scripture An Old Testament prophet was not called to tell the future but to be the mouthpiece of God Sometimes at a great cost Like Hosea who had to marry a prostitute to symbolize Israel's relationship to God I want to take you deeper into scripture than you have ever been before You may know something about the Bible but do you really know it Really This series will take you in deep Sometimes what you see is not pretty and it is not something we normally relate to the Holy Word You will see God's anger and his destruction but you will also see that thread of hope and that love that God has for his people We will find that we are not very different than Ancient Israel and Judah We sin just as bad as they did we just call our sins by different names So the Minor Prophets speak to us today as much as they did back them [Reading the Bible Study Guide](#) William C. Creasy,2025-08-12 Following the structure of Reading the Bible this corresponding study guide offers assessment questions exercises and visuals designed to support deep learning experiences in each book of the Bible by unveiling its rich literary genres and ancient Near Eastern origins Recognized as among the top two percent of educators in the U S Creasy challenges the notion that the Bible is simply an anthology instead revealing it as a collection of little books that warrant meticulous exploration The Reading the Bible Study Guide includes Maps to help understand the land of the Bible better Questions about the narrative features of each biblical book Summaries of the chapters from the main book Discussion questions to facilitate group engagement in classroom church or small group settings With the aim of nurturing knowledgeable readers of Scripture who can both comprehend and apply its teachings within their own life this study guide serves as an indispensable guide for those seeking a profound understanding of the world's most influential text For use with Reading the Bible by Dr Bill Creasy Together the book and study guide make a perfect combination for group Bible study programs in churches schools and seminaries *God's Tough Love* Scott Franks,2013-12-30 For many Christians the minor prophets are like flyover country in their Bibles a mostly obscure and unknown place between the familiar stories of the Old Testament and the gospels It's true that this is not easy material It includes rich literature complex poetry social editorial and fiery sermon It requires some understanding of the socio political and religious landscape of a time and place very foreign to us Yet the parallels and applications for modern Christianity our churches and our society are startling to say the least The Minor Prophets are actually some of the most practical texts in the Old Testament with much to say about topics like our relationship to God social justice and how we use our money They also address the tough theological questions like why God would use unholy tools for holy purposes or if God uses natural disasters and wars to punish nations This book is not meant to be a commentary so we will not cover every verse of every book in the prophets This is also not an academic book of history though it does include enough history to put the prophets in context This is a study guide that attempts to provide a working understanding of the Minor Prophets one prophet per lesson

written to fit a typical one hour class or small group study This is written in a very teachable format with open ended questions that will draw out discussion and some key points or applications that should hopefully come out of the discussion I concentrated these lesson plans on passages that seemed to have the most obvious applications to modern Christians Our goal is to portray these prophets as vital and living voices within their society and ours and rewarding portraits of God s love A whole series could be done on the Messianic components of the Minor Prophets While I do occasionally highlight some of these I did not attempt to point out each and every one May God bless you as you open His Word and the eyes of His people
