JR.,2015-07-07 Life s Changes began in 2006 when I was 46 years of age In a discovery I made I always knew about this life but never really experienced it The hypocritical life I lived was saying one thing and doing the other In the dark world I lived in a new light shined and a new life began In a six year period everything that could go wrong happened but for the right reasons This changed me and the life I live today I hope that by you reading this book it will help change your life and save you from the disasters pitfalls and traps that I experienced In the end you may be able to understand how your life can change as well Life s Changes is based on a true story and only by reading the book you will see a new light and a new life

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
