Fahrenheit 451 Short Answer Study Guide Answer:

Fahrenheit 451 - Literature Kit Gr. 9-12 Chad Ibbotson, 2016-01-01 Get drawn into a dystopian world to witness the struggle between one's self and their society. Students imagine what themes might be present in a dystopian future as perceived during the early 1950s. Predict what will happen to the woman whose books were hidden in the attic. Complete a paragraph from the novel with their missing vocabulary words. Answer multiple choice questions about the character Faber. Students reflect on the woman's discussion of the two presidential candidates and whether a person's name and appearance plays any factor in today's politics. Depict an alternate reality where Beatty and Montag join forces concerning their interest with books and the information they contain. Aligned to your State Standards and written to Bloom's Taxonomy. Additional crossword, word search, comprehension quiz, and answer key are also included. About the Novel *Fahrenheit 451* written by Ray Bradbury is the story of a man's struggle with his society and himself. The story begins with Guy Montag, a fireman charged with the job of burning books that have become outlawed. In this society, books have been deemed to have no value with new media and sports accommodating short attention spans. His struggle begins when he meets his neighbor Clarisse McClellan, a free thinker that begins to open his mind. From there, he soon finds himself stealing the books he was tasked to destroy. Montag's struggle culminates in an attempt to discover the value of books, himself putting him in the very same danger as those he once persecuted. *CliffsNotes on Bradbury's Fahrenheit 451* Kristi Hiner, 2011-05-18 The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature. The latest generation of titles in this series also features glossaries and visual elements that complement the familiar format. *CliffsNotes on Fahrenheit 451* explores a twenty-fourth century world in which books are considered evil because they inspire people to think and to question. Following the story of a 30-year-old fireman who's spent the last decade destroying books for a living, this study guide features a graphical map to show how the novel's characters relate to one another. In addition, CliffsNotes provides character analyses that take you deeper into the minds and mechanical workings of Ray Bradbury's famous social criticism. Other features that help you figure out this important work include Personal background on the author, Synopsis of the book, and a look at major themes. Summaries and commentaries on each part of the book, Review section that features multiple choice questions, quoted passages, and suggested essay topics, and practice projects. Resource Center with books, articles, and websites that can help round out your knowledge.
