Crochet Hats: 10 Easy Crochet Hat Patterns For Beginners No matter what time of year it is, hats simply do not go out of style. Whether you are wearing them due to the weather, you are wearing them because you like the style, or you are wearing them just for the sake of wearing them, you are always going to have a good reason to wear a hat. When you do wear your hats, however, you want to do something special with them. You don't want to have the same hats that everyone else has, and you don't want to be that person who is always going with the only choices that are on the shelves of the department store. No, if you are going to wear a hat, you are going to be the only one with that hat. You are going to stand out from the crowd, no matter what it takes, and you are going to make sure you are the one that does it right. What better way to do this than to make them yourself? When you are making your own fashion, you know without a doubt that you are the only one with the piece, and that you are the only one who is going to wear it as it should be worn. Let your own style shine through with each and every hat that you make, and who off your flare for fashion each and every day. With this book, you are going to see the patterns for 10 different crochet hats, each one with its own set of fashion style. You will have something to wear, no matter what the weather, what the time of year, or what the occasion. This book is going to open the door to the world of crochet hats and let you slip on in. Get out to the store and get yourself some yarn. You are going to fall in love with the results, and you are going to stand out in your own style. Follow the patterns for a variety of hat choices all throughout the year. Mix and match colors and styles for your own unique twist. Have fun with the process and make the hats you want.
