

# Chapter 2 Study Guide

By the end of the year:

Students will understand the role of the teacher in the classroom and how to use the classroom effectively (e.g., "What are the roles and responsibilities of the teacher?")

## Major Points (bullet points)

• The teacher's role is to provide a safe and supportive learning environment for all students, including those with special needs. The teacher should be a role model for students and should be a source of encouragement and support. The teacher should be a professional and should be a member of the school community. The teacher should be a leader and should be a source of inspiration for students. The teacher should be a collaborator and should be a member of the school community. The teacher should be a reflective practitioner and should be a source of feedback for students.

• The teacher should understand the needs of all students and should be able to differentiate instruction to meet those needs. The teacher should be able to create a positive learning environment for all students and should be able to use a variety of instructional strategies to meet the needs of all students. The teacher should be able to assess student learning and should be able to provide feedback to students. The teacher should be able to collaborate with colleagues and should be a member of the school community. The teacher should be a reflective practitioner and should be a source of feedback for students.
