Facing Your Giants Study Guide Max Lucado, 2006-11-19 Learn how you can face and defeat your giants just like King David did How long has your Goliath dominated your days and pilfered your peace Like David you know well the presence of Goliath Your Goliath doesn't carry a sword or shield he brandishes blades of unemployment abandonment or depression Your giant doesn't parade up and down ancient hills he prances through your office your bedroom your classroom He brings bills you can't pay addictions you can't resist a past you can't shake and a future you can't face How long has your Goliath stalked you Invaded your first thought of the morning and last worry of the night David knows a little something about facing giants The shepherd boy seemingly had little to offer against the nine foot nine inch Goliath You could read his story and wonder what God saw in him Throughout his life David fell as often as he stood stumbled as often as he conquered But for those who know the threat of a Goliath David gives this reminder Focus on Giants You Stumble Focus on God Your Giants Tumble The Facing Your Giants Study Guide will teach you to look past your problem toward the solution Based on the life of David this study guide is guaranteed to provide inspiration to succeed against even the most threatening difficulty Are you ready to face your giant Let David's story inspire you The same God who helped him will help you *Cinema as Pulpit* J. How to Defeat the Giant you are Facing Rick Renner, **Five Stones 34376** Rev. Shane Stanford, R. Brad Martin, 2013-08-06 Our most important battles are not always with the giants out there those external challenges which we all face The greatest battles are often within ourselves Too often we diminish our own potential in ministry business and in life Shane Stanford and Brad Martin frame their powerful book on one of the most well known and well loved stories in history David and Goliath We all feel like the seemingly powerless scrawny boy David sometimes And we all must face giants those challenges that threaten to overwhelm us in ministry work life and in our personal lives Five Stones is a series of clear and compelling lessons Each lesson arms the reader with practical and powerful tools of self discovery so that the reader's own liabilities opportunities convictions and capabilities are revealed Like modern day Davids readers will leave this book empowered to conquer challenges in ministry and in life with clear eyed confidence and well grounded hope *The Promise of the Second Wind* Bill Butterworth, Dean Merrill, 2010-04-28 Fresh Fuel for Running the Good Race At times we all feel as if we can't go on Our dreams have faded or crashed We wake up one day and realize we're just plodding through life We've

embraced life but still we wonder what might have been What happened to our hopes and plans for stronger relationships greater career success and lasting achievements Why have we settled for what is instead of striving for what could be When these conditions or other dilemmas leave you feeling trapped you are an ideal candidate for one of life s great surprises a second wind God wishes to give you such dramatic turnarounds in many areas of life Just when you think you can t go on you can tap into the wellspring of God s power and allow him to give your life a jump start With this newly discovered energy you can stop your plodding and once again run the race of life with a spirit of exhilaration and joyous abandon
