are encouraged into subservient roles so that taking the lead can feel strange and unnatural even unfeminine and not nice We are discouraged from aggressively grabbing what we want and instead encouraged to sacrifice and nurture We are taught to be prizes not competitors Surely there has to be more to life than that Many men the ones who value assertiveness and even a little cruelty in their female lovers would agree Men are ready to be dominated owned and used by the strictest most sensual and cruelest women The subservient slaves get put in their places and then punished in a variety of naughty ways until they understand their place This book is a rich resource of ideas for the woman who wants to embark upon FemDom journey with her man and is hungry for new kinky territory to conquer and in this guide you ll learn practical steps towards becoming a professional dominatrix Much of what is depicted about BDSM and the lifestyle is wrong Our opinions on this lifestyle and art form are often times shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths The truth is that BDSM is not degrading towards women One of the most common misconceptions surrounding a woman taking a dominant role is the assumption that she needs to be a display cruel behavior towards others for the sake of her own gain or pleasure and without consideration for their safety or well being it s not surprising that any woman would feel reluctant to adopt this role in her relationship Taking the lead in bed doesn t mean being a sadist or demeaning your partner It doesn t mean you have to change who you are You re simply connecting with a powerful side of yourself that was always there and sharing it with a person who wants to make you happy It s about closeness and connection not cruelty FemDoms are to lead and not follow be confident and be yourself say what you mean and be attractive A Warning for the Man Men in Her Life this book will teach your partner how to be more dominant controlling learn how to train you learn how to punish you and hold you accountable for your actions if you buy this book for her you might get more than you asked for You may want to quietly set it aside and buy her a set of fuzzy handcuffs instead You have been warned *How do I become a Mistress?* Mistress Moriah,2025-09-15 With the book *How to become a Mistress* Mistress Moriah presents her candid and special view from her experience as a Mistress and lifestyle Femdom lady Her views have emerged from walking her own path and from the many conversations she has had with dominants and subs over the years She hopes this book can be an inspiration and give more insight into the deeper layers of experience The book forms a practical reference book for certain acts from Age play to Whips as a small handhold in the wonderful world of BDSM Questions such as How safe is sounding How does electro work Where is the best place to hit with the cane or What is the deeper experience of Needleplay are covered in detail The book informs in an engaging way that makes the content an enjoyable read It is an absolute must have for the novice or discovering Domina but just as much for social workers who want to understand more about BDSM *Female Dominatrix Manual for Beginners* Mistress Dede, Are you usually aggressive in the bedroom Ever considered becoming a dominatrix Do you want to really feel the thrill of dominating a man in the bedroom Have you ever considered making a living out of it Or maybe you have always been submissive and would like to take control
